

European Diploma in Transplantation Surgery

The 5th Exam for awarding the European Diploma in Transplantation Surgery is organised by the Division of Transplantation of the Union Européenne des Medecins Spécialistes (UEMS) Section of Surgery and the European Board of Surgery (EBS) in collaboration with the European Society of Organ Transplantation (ESOT).

The exam will take place at the ESOT Congress in Glasgow on the 7th of September 2011. Deadline for applications is the 30th of May 2011.

The Preparatory Course for the Exam will take place in Pafos, Cyprus, 2-3 June 2011. It is not obligatory to attend the Course in order to take the Exam. Deadline for registration for the Course is the 15th of May 2011.

Senior Transplant Surgeons with at least 10 years of continuous experience as specialists practicing in formal nationally recognized posts are eligible to apply for an Honorary Diploma and be exempted of the examination.

For more information regarding the eligibility criteria, application and examination process please visit: <http://www.uemssurg.org> (under Divisions/ Transplantation) or contact:
